NOTICE

is hereby given that the District Engineer proposes to extend Department of the Army (DA) Permit # 92-2T-215. This permit was issued to the South Carolina State Ports Authority on 9 October 1992, and authorizes the construction of an automobile manufacturing facility in Spartanburg County, South Carolina. The above referenced permit expired on 31 December 1995.

The initial phase of the approved project was completed prior to the expiration of the DA permit, and the facility has been operating for more than 5 years. The South Carolina State Ports Authority has performed the required mitigation and would like to complete the remainder of the previously authorized work at this time. The purpose of this notice is to give all interested parties an opportunity to express their views on the proposed time extension of the above referenced DA Permit before action is taken. The DA Permit, if extended will be valid for a period of ten (10) years.

Written statements regarding the extension of the previously approved DA Permit will be received at this office until,

12 O'CLOCK NOON, MONDAY, 15 JULY 2002

from those interested in the activity and whose interests may be affected by this General Permit.

A copy of the original Department of the Army permit is available and will be provided, upon receipt of a written request, to anyone that is interested in obtaining a copy. Please identify the permit number referenced in this public notice and enclose a self-addressed stamped envelope for mailing a copy of this permit to you. Your request should be addressed to the
